

# College & University Program Overview – CareersNmore

## **About the Program**

CareersNmore College & University Programs are designed to help higher education students gain career clarity, employability awareness, and readiness to transition from academics to professional life. These programs complement academic learning with practical career-focused insights.

## **Purpose of the Program**

The objective of the program is to bridge the gap between education and career outcomes by helping students understand industry expectations, career options, and informed decision-making.

## **Key Focus Areas**

- Career awareness and direction
- Campus-to-corporate readiness
- Resume, interview, and professional profile awareness
- Career planning and decision-making
- Industry exposure and career talks

## **Who the Program Is For**

- Undergraduate students across disciplines
- Postgraduate students planning careers or higher studies
- Final-year students preparing for employment
- Colleges and universities seeking structured career readiness programs

## **Program Delivery**

Programs are delivered through on-campus, virtual, or hybrid sessions. Engagement formats include one-day workshops, department-wise sessions, or multi-session programs coordinated with faculty and placement teams.

## **Expected Outcomes**

Students gain improved career clarity, better understanding of employability requirements, increased confidence, and readiness to transition into professional roles.
